

## QUALITY POLITICS

The Management of **LABORATORIOS FORENQUI, S.A.** wants to express, formally with this declaration, the quality policy established for this Company, in accordance with the criteria established in the standard ISO 9001: 2015, as well as with all the legal and regulatory requirements that apply both in the production and in the marketing of their products.

**LABORATORIOS FORENQUI, S.A.** founded in 1987, is a company specialized in the design, manufacture and marketing of cosmetic products and products to perfume the environment. The growing evolution of our company has led us to assume new commitments and with them new challenges for the process.

In **LABORATORIOS FORENQUI, S.A.** our main objective is to achieve the full satisfaction of our customers and the final consumer by offering quality products.

The **Management Policy** is based on the following aspects and for this the Management has acquired the commitment of:

- ✓ Achieve the full satisfaction of our customers and final consumers, adapting our products and services to their needs and expectations.
- ✓ Compliance with legal, regulatory and other requirements that may apply to us, related to quality and the environment.
- ✓ Establish the necessary means to publicize and explain to its employees the content of the Policy, programs and objectives of the company and ensure the involvement in the fulfilment of the objectives and targets set.
- ✓ Consider management aspects as an integral part of planning processes, periodically establishing programs, objectives and targets that guarantee compliance with the policy requirements and continuously improve the efficiency of the management system.
- ✓ The fulfilment of the requirements will be verified periodically, based on clear indicators, which will be known by the employees of the organization, providing the frame of reference to establish and annually review the management objectives.
- ✓ The continuous improvement must be present in all the processes, developing corrective and preventive actions necessary to avoid the reappearance of internal and external problems.

The Management extends this commitment to all employees as well as to those who act on behalf of **LABORATORIOS FORENQUI, SA**, and communicates it to all its interested parts, so that they comply with the guidelines of this policy, which will be reviewed periodically in order to ensure that they are always appropriate to the activities of the organization.
